## Introduction

Polaris Plastics is a dedicated provider of bespoke and stock packaging products. Our long standing history as a leader in the supply of film products and sacks to the Janitorial and Catering markets has established our credentials as the UK's most reliable packaging supply company. Extensive stocks are held in our warehouse to ensure that we can provide our products on a day one for day three average delivery to any point in the UK and Northern Ireland.

Deliveries are free of charge with a minimum order value. This guarantees that Polaris can offer our just in time service to support your specific business needs. Our full time customer care team are available from 8:30 am until 5:00 pm to discuss your product requirements and to ensure that you have the right product for your customer base and/or application.

Over 200 PE film based products exist within our extensive portfolio, with new innovations and complimentary products being added every month.

Contact Polaris NOW to discuss your no obligation quotation and examine the benefits to your business from becoming part of the Polaris customer family.

goods dispatching area

## CHSA

Polaris Plastics are long standing members of the Cleaning and Hygiene Suppliers Association – The Primary Supply Chain Trade Association to the cleaning industry.

In addition Polaris Plastics are Cofounders of the CHSA Plastic sack accreditation scheme. All of our sack products are produced and clearly labelled in accordance to this standard.

The scheme, designed to make sure the correct sacks are supplied, divides the sacks into 4 categories:-

**Light Duty;** up to 5 kilo weight capacity, **Medium Duty;** up to 10 kilo weight capacity, **Heavy Duty;** up to 15 kilo weight capacity, **Extra Heavy;** up to 20 kilo weight capacity.

Look out for this typical box marking which indicates the performance of your product...

Independent auditing ensures our stocks are performing in accordance to the CHSA standard and furthermore that they are adhering to the product dimension guidelines.

For more information please contact our customer care team.

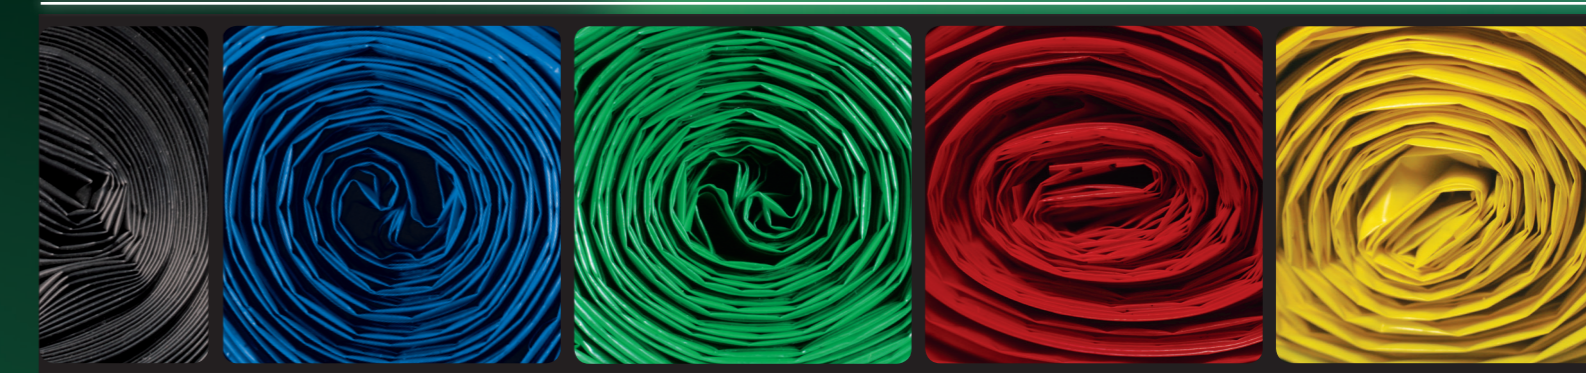

## Bespoke Service

Polaris Plastics offers a specialised service for those customers who need an unique product or a one off volume of a non-stock items.

Our customer care team will be happy to take your enquiry and use our extensive expertise to provide the product to your exacting requirement in the fastest possible lead time and at best value.

We are able to supply coloured or clear, virgin or recycled film from pallet covers to grip seal bags, waste management sacks to food contact liners all delivered, via our single pallet distribution service to your business. If your order is required on a regular basis then Polaris will use its extensive warehousing facility to hold multiple months of your stock at no additional charge, with only an undertaking that the volume held would be purchased in an agreeable call off period.

Save on your management time and contact Polaris to assist with all of your specialist Janitorial and Catering film product needs...

suppliers of quality standard and bespoke refuse sacks

# e sack™

The brand from Polaris Plastics renowned for quality products at competitive prices with a reputation for first class service.

The flat packed refuse sack has been the main product available for the away from home market for more than 30 years. During this time there has been a flat packed dispensing box available as an alternative - even this type of dispenser box can be messy and wasteful.

Now available is E sack helping you to “dispense with the mess”. A range of sacks for fixed and portable dispensing.
